5. BUY ORDERS

- 5.1. You can initiate a Buy Order through the Airwallex Platform.

 - (b) instructing Airwallex (Netherlands) B.V. to debit your Wallet, and transfer the requested amount to Airwallex Capital (Netherlands) Stichting (the "**Foundation**") to settle executed orders;
- 5.4. If you initiate a Buy Order before the Cut-off Time, we will undertake best efforts to transmit the order on the same Trading Day on which it was initiated, but this is not guaranteed. Buy Orders initiated after the Cut-off Time will be executed on the next Trading Day.
- 5.5. Your Buy Orders may not always be executed on the same day that they are transmitted. We will notify you via the Airwallex Platform if any of your Buy Orders are rejected. A Buy Order may be rejected if, for example, you do not have available funds in your Wallet to pay for the Buy Order, or if the acceptance of an order would breach a limit that we have placed on your Investment Account. The Fund Manager may also refuse to meet your Buy Order, and we have no control over this. Technical difficulties may also prevent the transmission or acceptance of your Buy Order.
- 5.6. We will update your Yield Balance after each publication of the Net Asset Valuation of the Fund by the Fund Manager. This may take

several Business Days, and the amount of any Buy Order may be shown as a positive amount in the relevant currency marked as pending until the Yield Balance is updated.

- 5.7. We will provide a link to the Fund Documentation prior to your purchase of any Fund. You agree that you can access and receive this Fund Documentation, and that you will not input any Buy Orders unless you can access the Fund Documentation.
- 5.8. If you are purchasing a money market fund:
- (a) The amount of your Buy Order will be aggregated with Airwallex's other Customers' pending buy orders, and the aggregated sum will be sent to the Fund Manager as a single block order to execute the trade.
 - (b) Airwallex's ledger will capture all Customer orders and track Customer ownership of Shares in the Funds.
 - (c) By T+1, Airwallex will instruct Airwallex (Netherlands) B.V. to send a single transfer amounting to the value of all aggregated client buy orders to the "Foundation". Any funds received or held by the Foundation are held in its own name but for the account and benefit of the ultimate beneficiaries, being you, the client. You will have no direct contractual relationship with the Foundation. The Foundation acts as an independent custodian in accordance with Applicable Laws, appointed by Airwallex to safeguard the client funds corresponding to the Yield Product.
 - (d) Also by T+1, a transfer for the value of all aggregated client buy orders is sent from the Foundation account to the Fund's designated Depository, whereupon the trade is settled.

6. SELL ORDERS

- 6.1. You can initiate a Sell Order through the Airwallex Platform.
- 6.2. You acknowledge and agree that proceeds of Sell Orders will only be credited to your Wallet as electronic money in accordance with your agreements with Airwallex (Netherlands) B.V.
- 6.3. By clicking "confirm" you acknowledge and agree that you are:

- (a) instructing Airwallex to transmit a Sell Order for execution for that amount, for the designated investment, and transfer the sale proceeds to the Foundation; and
 - (b) instructing Airwallex (Netherlands) B.V. to credit that amount to your Wallet as e-money upon receipt of the sales proceeds from the Foundation.
- 6.4. If you initiate a Sell Order before the Cut-off Time, we will undertake best efforts to execute the Sell Order on the same Trading Day on which it was initiated. Sell Orders initiated after the Cut-off Time will be executed on the next Trading Day.
- 6.5. Your Sell Orders may not always be executed on the same day that they are transmitted. We will notify you via the Airwallex Platform if any of your Sell Orders are rejected. A Sell Order may be rejected if, for example, you do not hold sufficient Shares in the Fund for the Sell Order, or if the acceptance of an order would breach a limit that we have placed on your Investment Account. The Fund Manager may also refuse to meet your Sell Order, and we have no control over this. Technical difficulties may also prevent the transmission or acceptance of your Sell Order.
- 6.6. We will update your Yield Balance after each publication of the Net Asset Valuation of the Fund by the Fund Manager. This may take several Business Days, and the amount of any Sell Order may be shown as a negative amount in the relevant currency marked as pending until the Yield Balance is updated.
- 6.7. If you are selling a money market fund:
 - (a) Your Sell Order will be aggregated with Airwallex's other Customers' pending sell orders, and the aggregated sum will be sent to the Fund Manager as a single block order to execute the trade.
 - (b) Airwallex's ledger will capture all Customer orders and track Customer ownership of Shares in the Funds.
 - (c) On T+1, a transfer of the sale proceeds from all aggregated client sell orders is sent from the Fund's designated depository manager to the Foundation account.
 - (d) On T+1, Airwallex will instruct the Foundation to send sale proceeds from the Foundation to Airwallex (Netherlands) B.V. to credit your Wallet.

7. BEST EXECUTION

- 7.1. We have a regulatory duty to take all sufficient steps to provide you with the most advantageous result given the prevailing market environment. This is known as "best execution."
- 7.2. A link to our Best Execution Policy summary is provided via the Airwallex Platform, and by entering into these Terms, you confirm your acceptance of it.

8. MANUFACTURER AND TARGET MARKET INFORMATION

- 8.1. For packaged or manufactured products, the manufacturer, its target market assessment, and key product characteristics are disclosed in the Fund Documentation or PRIIPs KID. Airwallex acts as a distributor under MiFID II Product Governance rules.

9. CLIENT CATEGORISATION

- 9.1. MiFID II requires us to categorise our Customers.
- 9.2. We shall categorise you as a "retail client," also referred to as a "non-professional client," in accordance with the AFM's client categorisation criteria.
- 9.3. You confirm that, prior to directing any Buy Order, you have reviewed the Fund and Fund Documentation, and you have determined that the Fund is suitable for your investor profile and financial situation.
- 9.4. For the purposes of the Yield Product, we are not required to check, or advise you on, whether you:
 - (a) make transactions which meet your investment objectives;
 - (b) will be financially able to bear the risk of any loss that your transactions may cause; or
 - (c) have the necessary knowledge and experience to understand the risks involved in the transaction.
- 9.5. You are solely responsible for determining the suitability of this investment for your financial situation and for understanding and complying with all applicable tax obligations in your jurisdiction.

10. PROTECTION OF YOUR INVESTMENT

- 10.1. The Foundation acts as the custodian of Airwallex. This means that the Foundation holds funds related to Buy Orders and Sell Orders prior to execution of a Buy Order or after execution of a Sell Order. Airwallex and the Foundation maintain an administration which reflects you and other Customers, as the case may be, as economic owners of the Shares held in the account with the Funds. Airwallex reflects your economic ownership rights in the Investment Account, which is in your name.
- 10.2. Airwallex safeguards client money and financial instruments in accordance with MiFID II and the Dutch Financial Supervision Act (Wft).
- 10.3. Client funds are held via a separate legal entity, Airwallex Netherlands Capital Stichting, and financial instruments are held with authorised custodians.
- 10.4. Full details of these arrangements and related risks are described in our Yield Product Risk Disclosure, which form part of this Agreement.

11. CLOSING YOUR INVESTMENT ACCOUNT

- 11.1. If you no longer wish to use the Yield Product, you can close your Investment Account at any time by taking the steps as prompted on the Airwallex Platform.
- 11.2. By closing your Investment Account, you will also be instructing us to transmit a Sell Order for the entirety of any Yield Balance you hold (a "Divestment Order").
- 11.3. Subject to clause 10.5, we will execute a Divestment Order in the same way as we transmit Sell Orders.
- 11.4. We may deduct any fees owed to us in accordance with these Terms, and we may retain such amount from the sales proceeds.
- 11.5. You must not close your Investment Account to avoid an investigation or to avoid complying with these Terms or Applicable Laws. If you attempt to close your Investment Account during an investigation, we may suspend the Divestment Order until such time as the investigation is fully complete to protect our interests or those of a third party or for compliance with Applicable Laws.
- 11.6. After the execution of the Divestment Order, the resultant net proceeds will be transmitted to your Wallet, unless we are prevented from doing so by Applicable Laws.

12. FEES.

- 12.1. Please refer to our Netherlands Yield Fee Schedule for a full explanation and list of fees that you may pay in connection with the Yield Product. The Airwallex Yield fee is charged by selling Shares in your Investment Account at the end of each month, or upon liquidation of your investment if sooner, and deducting the amount from sale proceeds, and you consent to these sales and process by agreeing to this Agreement. Please note that it takes several days at the end of each month and the beginning of the following month to process the Airwallex Yield fee. Fees are earned by Airwallex at the time the service is rendered and will be deducted from your Yield Balance on a monthly basis, or as otherwise specified in the Netherlands Yield Fee Schedule. We may change the Netherlands Yield Fee Schedule at any time by re-publishing the Netherlands Yield Fee Schedule, and the new Netherlands Yield Fee Schedule will become effective after 30 days.
- 12.2. We will provide you with ex-ante and, where required, ex-post costs and charges information showing all costs associated with the service and each instrument.
- 12.3. Airwallex does not receive or pay any fees, commissions, or non-monetary benefits from third parties in connection with the Yield Product. If such arrangements are introduced in the future, they will be structured in accordance with MiFID II inducement rules and disclosed to you in advance.

13. CHANGES TO THESE TERMS

- 13.1. We may make changes to these Terms by giving you at least 30 days prior written notice, and such notice may be via email or messages via the Airwallex Platform.
- 13.2. If we do make changes, you have the option to terminate these Terms immediately by providing written notice to us during the notice period. If we do not receive any communication from you during this 30-day notice period, you will be deemed to have accepted the proposed changes, and they will apply to your use of the Yield Product from the specified effective date of the changes.
- 13.3. We may make immediate changes to these Terms without notice and with immediate effect if the changes are:
 - (a) more favourable to you;

- (b) required by Applicable Laws;
- (c) relate to the addition of a new service or enhancement of an existing Yield Product; or
- (d) changes that neither reduce your rights nor increase your responsibilities.

14. TERMINATION AND SUSPENSION OF THE YIELD PRODUCT

- 14.1. We may terminate these Terms and close your Investment Account for convenience and without stating reasons by providing you with one month's prior notice, unless we are required by Applicable Laws to do so sooner.
- 14.2. If we terminate these Terms in accordance with clause 13., you will be deemed to have given us a Divestment Order and, on or before the closure date specified in the notice given in accordance with clause 13.1, any remaining Yield Balance you hold will be sold in accordance with clause 10.2.
- 14.3. We shall credit the net sales proceeds to your Wallet unless we are prevented from doing so by Applicable Laws.
- 14.4. In certain circumstances, we may suspend, freeze, restrict, or close your Investment Account without prior notice to you, in which case, subject to our sole discretion, you will be deemed to have given us a Divestment Order in accordance with clause 10.2. However, as soon as practicable after the reasons for the suspension and/or restriction cease to exist, we will lift the suspension and/or restriction. These circumstances include, but are not limited to, if: (a) the Customer breaches Applicable Law; (b) the Customer undergoes a change of control; (c) Airwallex suspects criminal or fraudulent activity in connection with the Customer or the Customer's Account, (d) Airwallex is required to terminate the Terms by Applicable Law; (e) the Customer has breached these Terms or other applicable agreements with Airwallex affiliates; (f) the Customer has given Airwallex false or inaccurate information, or Airwallex has been unable to verify their information; (g) the Customer has been placed on restricted or prohibited lists; (h) Airwallex ceases or suspends providing its Yield Product; (i) the Customer has not paid or repaid any amounts owing to Airwallex by the date due notified by Airwallex; or (j) the Customer does not use its Airwallex account for twelve (12) months and it becomes inactive.
- 14.5. Any indemnity provisions and requirements will survive expiry or termination of these Terms.

- 20.6 Airwallex shall not be liable for any losses involving technical issues or failures with respect to any third party or third party interface. We may apply any credit balance in any account you have with us in and towards satisfaction of, or payment of, any of your obligations to pay an amount which is then due under these Terms or any other agreement you have with us or our Affiliates.

26. FURTHER ASSURANCES

26.1. You agree, at your own expense, to:

- (a) execute and do everything else reasonably necessary or appropriate to bind you under these Terms; and
- (b) use your best endeavours to cause relevant third parties to do likewise.

26.2.
